**ORDER:-**

In the reference 1<sup>st</sup> read above, Government accorded administrative sanction for the improvement of storm water drainage system in Hyderabad Urban Agglomeration including development of surplus weir, lakes & water bodies to prevent and mitigate the consequences of flooding in future and minimize the damages under SNDP- short term plan 2021-22" for an amount of Rs.858.0 Crores comprising of 15 packages. In which Package -V & VI were located in LB Nagar zone of Greater Hyderabad Municipal Corporation.

2. In the reference 2<sup>nd</sup> read above, the Commissioner, Greater Hyderabad Municipal Corporation, Hyderabad has reported that, during October 2020 floods most of upstream and downstream colonies and residents were severely affected due to flash floods near Large Tank Saroornagar and accordingly the remodeling of drains / nalas in upstream and downstream side of Saroornagar lake are taken-up under SNDP package V (f), VI (a) VI (b) and VIII (b) along with catchment nalas in Package XI in Meerpeta Municipal Corporation. Further, the final disposal of flood water from all the above packages are through Saroornagar Tank to River Musi only.

3. The Commissioner, GHMC has further reported that, Saroornagar tank is having two (2) outlets (i.e., left flank outlet @ Masjid, right flank outlet @ Priyadarshini park to discharge the flood water. These both nalas are independently flow upto Chaitanyapuri and merged at Chaitanyapuri @ NH-65 and finally joins into river Musi. In addition to above, said two outlets Nalas, there is an existing 2000 mm dia pipe line laid separately long back from left flank outlet to Musi inlet (through P&T Colony). Then said pipeline is laid for disposal of excess flood water of saroonagar lake to Musi but while widening of bund cum BT road (Saidabad road), the 2000 mm dia pipeline was blocked @ saroonagar lake left flank outlet point and the 2000 mm dia pipeline is not in used condition.

4. The Commissioner, GHMC has further reported that, Saroornagar lake outlets were already prepared to discharge maximum flood by arranging flood control gates with GHMC funds. In addition to above sanctioned funds for Rs. 299.00 Lakhs by the Standing Committee, GHMC for the work of "Restoration of sluice for large tank, Saroornagar (V&M), R.R.District (pipe pushing with hydraulic jack)" keeping in view of the above said reasons and to improve and effective utilization of the existing 2000 m dia RCC pipelines in P&T colony at Saroornagar lake downstream for fast disposal of flood water. This work is not only to restore the sluice but also mitigate the flood situation areas by proper control gate arrangements for effective utilization of existing and ongoing upstream and downstream Nala works under SNDP-1 program in LB Nagar Zone. The budget for the subject work was accorded on dt: 05.05.2023 permitting the budget for the subject work from the savings of SNDP subject to ratification from the Government.

P.T.O.

:: 2 ::

5. Accordingly, the Commissioner, GHMC, has requested the Government to include the work of Restoration of sluice for large tank, Saroornagar (V&M), R.R. District (pipe pushing with hydraulic jack)" for Rs. 299.00 Lakhs under SNDP Phase-1 program, as this work is very essential for overall outcome of SNDP Phase-1 program of LB Nagar Zone.

6. Government, after careful examination of the matter, hereby accord permission to include the work of Restoration of sluice for large tank, Saroornagar (V&M), R.R. District (pipe pushing with hydraulic jack)" for Rs. 299.00 Lakhs under SNDP Phase-1 program, subject to meeting the funds from GHMC only.

7. The Commissioner, Greater Hyderabad Municipal Corporation, Shall take necessary further action accordingly.

8. This order is issued with the concurrence of Finance (DCM) Department vide their U.O.No.2687960/233/A2/DCM/2024, dt:25.10.2024.
